Enthusiastic Sophs.

Leos are creative people and are always ready for new ideas but usually stick to the same opinion. Do you know someone who's generous and enthusiastic but can be a bit conceited? 21 Sophomores are Leos.

Shy Sophs

Ambitious yet careful,

Reliable and careful,
Pessimistic, overexacting,

On October 26, 1982, the Concert Chorale, under the direction of Philip Buch, made a recording for Delta Records. The Christmas record was made at Saint Stephen's Lutheran church.

Delta Records of Chicago looks for a high school in the midwest to make a Christmas record every year. They look for a choir known for its outstanding quality. Delta Records contacted Buch last April and asked him if he would like to do the record.

The energetic students, filled with unity, went out to get the songs ready in eight weeks. Buch had the same excitement, but had concern for the singers' ability to get the job done. The singers, in 14 hours of recording and 147 takes, lessened his degree of concern.

The records went on sale the first of December. Local stores like Grebe's, 29 Supermarket, Pope's Hobby Land, Prange's, Prange Way, and Shopko also helped to sell them. The sale of the records were in this area only.

Debate

For the first time in 19 years a Wausau debate team has won the state debate tournament. Wausau Senior High School took the top honors in 1964.

Wests victory is all the more impressive considering that the team included three freshmen — Lowell Barrington and Jeff Bowen, named Best Affirmative team, and Joe McCarthy whose team mate, Steve Scott, is the only senior on the varsity team.

Jim Grinsel, the debate coach since 1970 when West opened, said Barrington, Bowen, and McCarthy as well as the members of the West junior varsity and novice teams, "showed a willingness to work particularly hard. It will be a challenge now for them to keep up the good work, and it should pay off in the next three years."

Setting Stars

The 82-83 girls volleyball team had many new faces this year. The team was a mixture of soph., juniors, and seniors. Although the team finished the season with a 23 out of 54 record overall, coach Tomaszewski felt that good spirit was shown. We extend our congratulations to senior spiker Lee Flora who made All-Conference and coach Karen Tomaszewski, who, without her excellent knowledge and coaching ability, the season would not have been successful.

Glimpse

Mr. Venne

There are many roles in the life of a newspaper staff. The Editor in Chief is the head. This person is responsible for all the things done on the paper as well as supervising the other people. **Carolyn Amundson**, a junior, is appointed to this position. Next is the Managing Editor, a job held by **Barry Wolfgram**, also a junior. His job is to assign stories and make sure that they are in on time. The Layout Editor, whose job it is to design the paper and copy-sheets, as well as "laying-out" the newspaper is held by junior, **Scott Fritsche**. Next is the Copy Editor. This year there were two, **Michelle Opal**, a senior, and **Deb Josiger**, a junior, who read through all copy and make sure there are no errors. Then comes the Circulation Editor, **Todd Dunst**, also a junior, who has to make sure that all homerooms as well as other schools receive our newspaper, a task not easily accomplished. The Composing Editor, junior, **Kendre Welton**, has to type up all the stories on a composing machine which puts them into column-article form. She must also type up all corrections. The last is Production Editor, senior, **Mark Dabroski**, who makes sure everything is done in layout and graphics in the best way possible so that the fewest materials are wasted. He also makes layout suggestions.

Survey of Staff Goals:

1. Get paper out on schedule
2. Develop better working relationships
3. Avoid being yelled at
4. Go no higher than the third floor

Our special thanks to the '82-'83 Glimpse staff for this story.

We made it back to earth with the '83 Aurora as our reward.

AFS Student

The Wolslegel's

A Star From North Germany

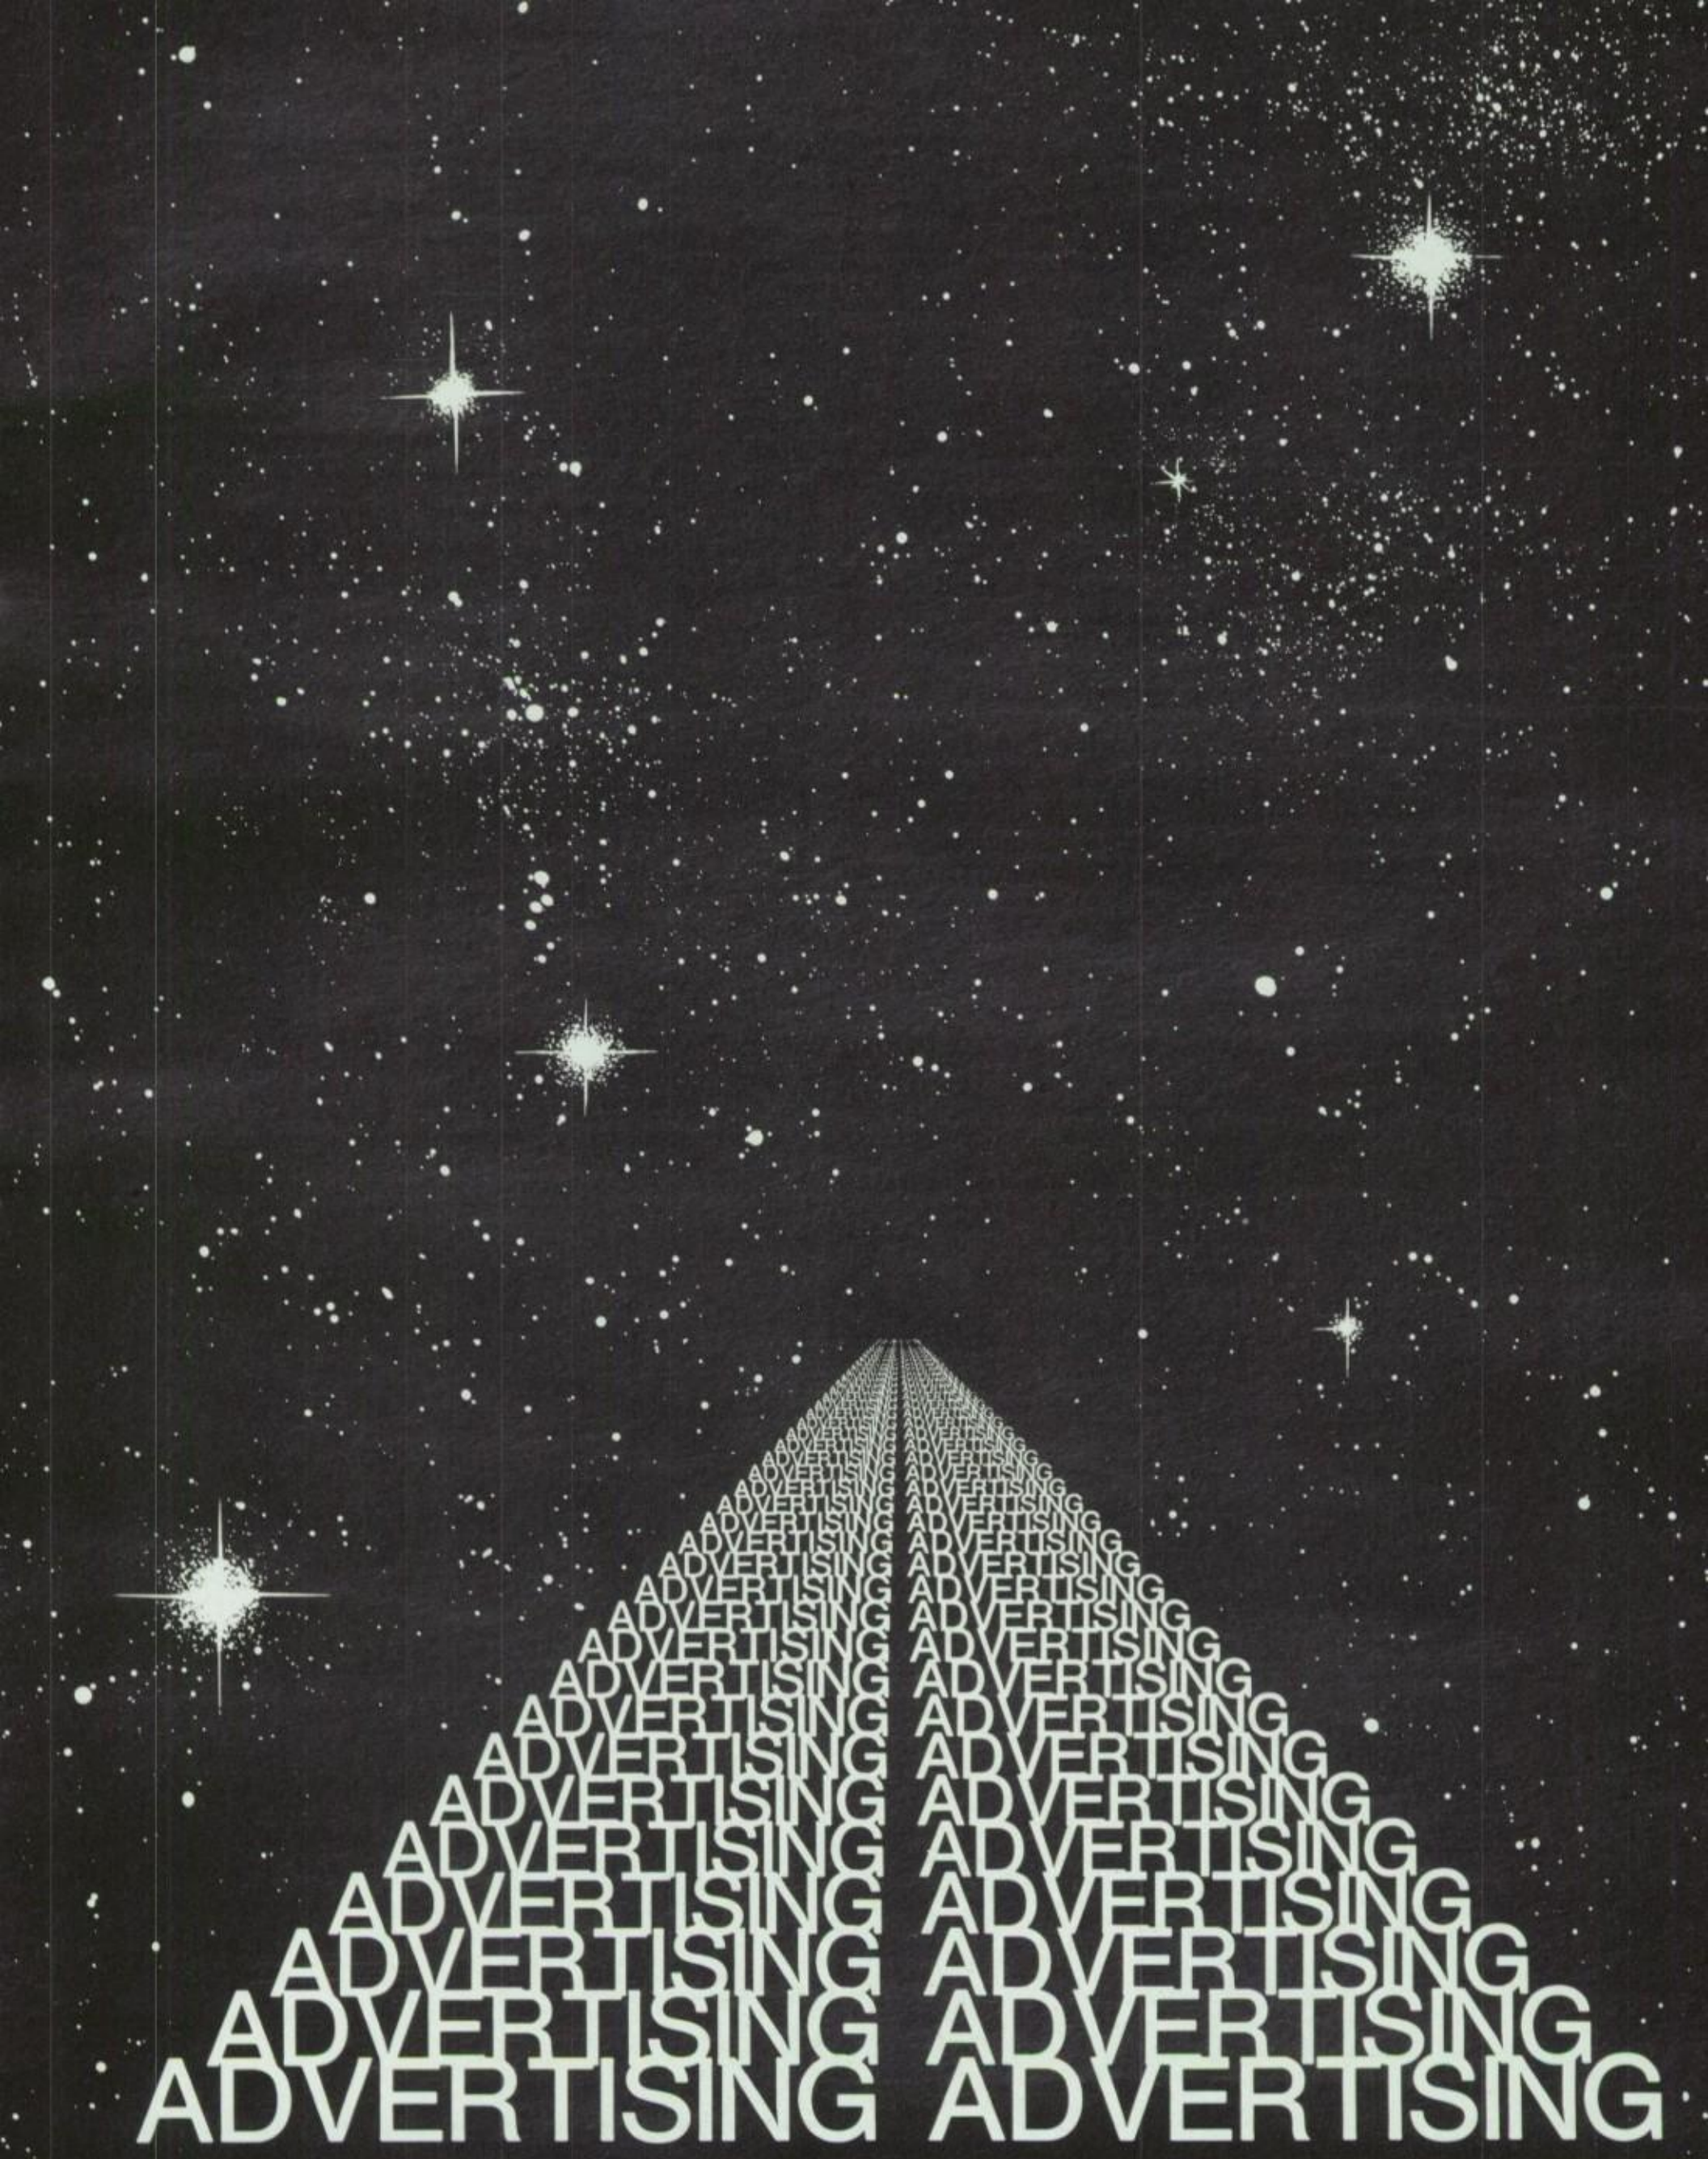

There was a new addition to the student body this year at West. Her name is Meika Sandler and she's the foreign exchange student. She's from Jhorst, West Germany and is staying with the Wolslegels until the end of the school year. While she was living in Germany, it had always been her dream to come to America. Well, her dream came true, and she's living it out very happily. She says if she had a second chance she would come back to America again.

Meika is involved in the Key Club and German Club and keeps herself busy with all of the other school activities. In Germany they don't have any clubs or sports in their schools, but soccer is the most popular sporting event. Meika also enjoys disco dancing and going to the movies. She wasn't surprised at the punk styles either .. Punk is in in Germany too.

In Germany Meika is involved in church activities such as, youth club and camp. She and her family live on a farm, so that also keeps her busy. After Meika's done with high school she would like to go into college and study medicine. After being asked, "What are your feelings about Wausau," she answered, "It was great to stay in America for a year and to live with an American family. Wausau West is a great school and I really enjoyed going here. I was impressed by the good communication between students and teachers and I really found this school year exciting and fun filled. I want to thank each one of you for making this year at Wausau West the most wonderful one for me."

MANSON
INSURANCE

Why Manson Agency?

Maybe because its been in business for over 100 years.

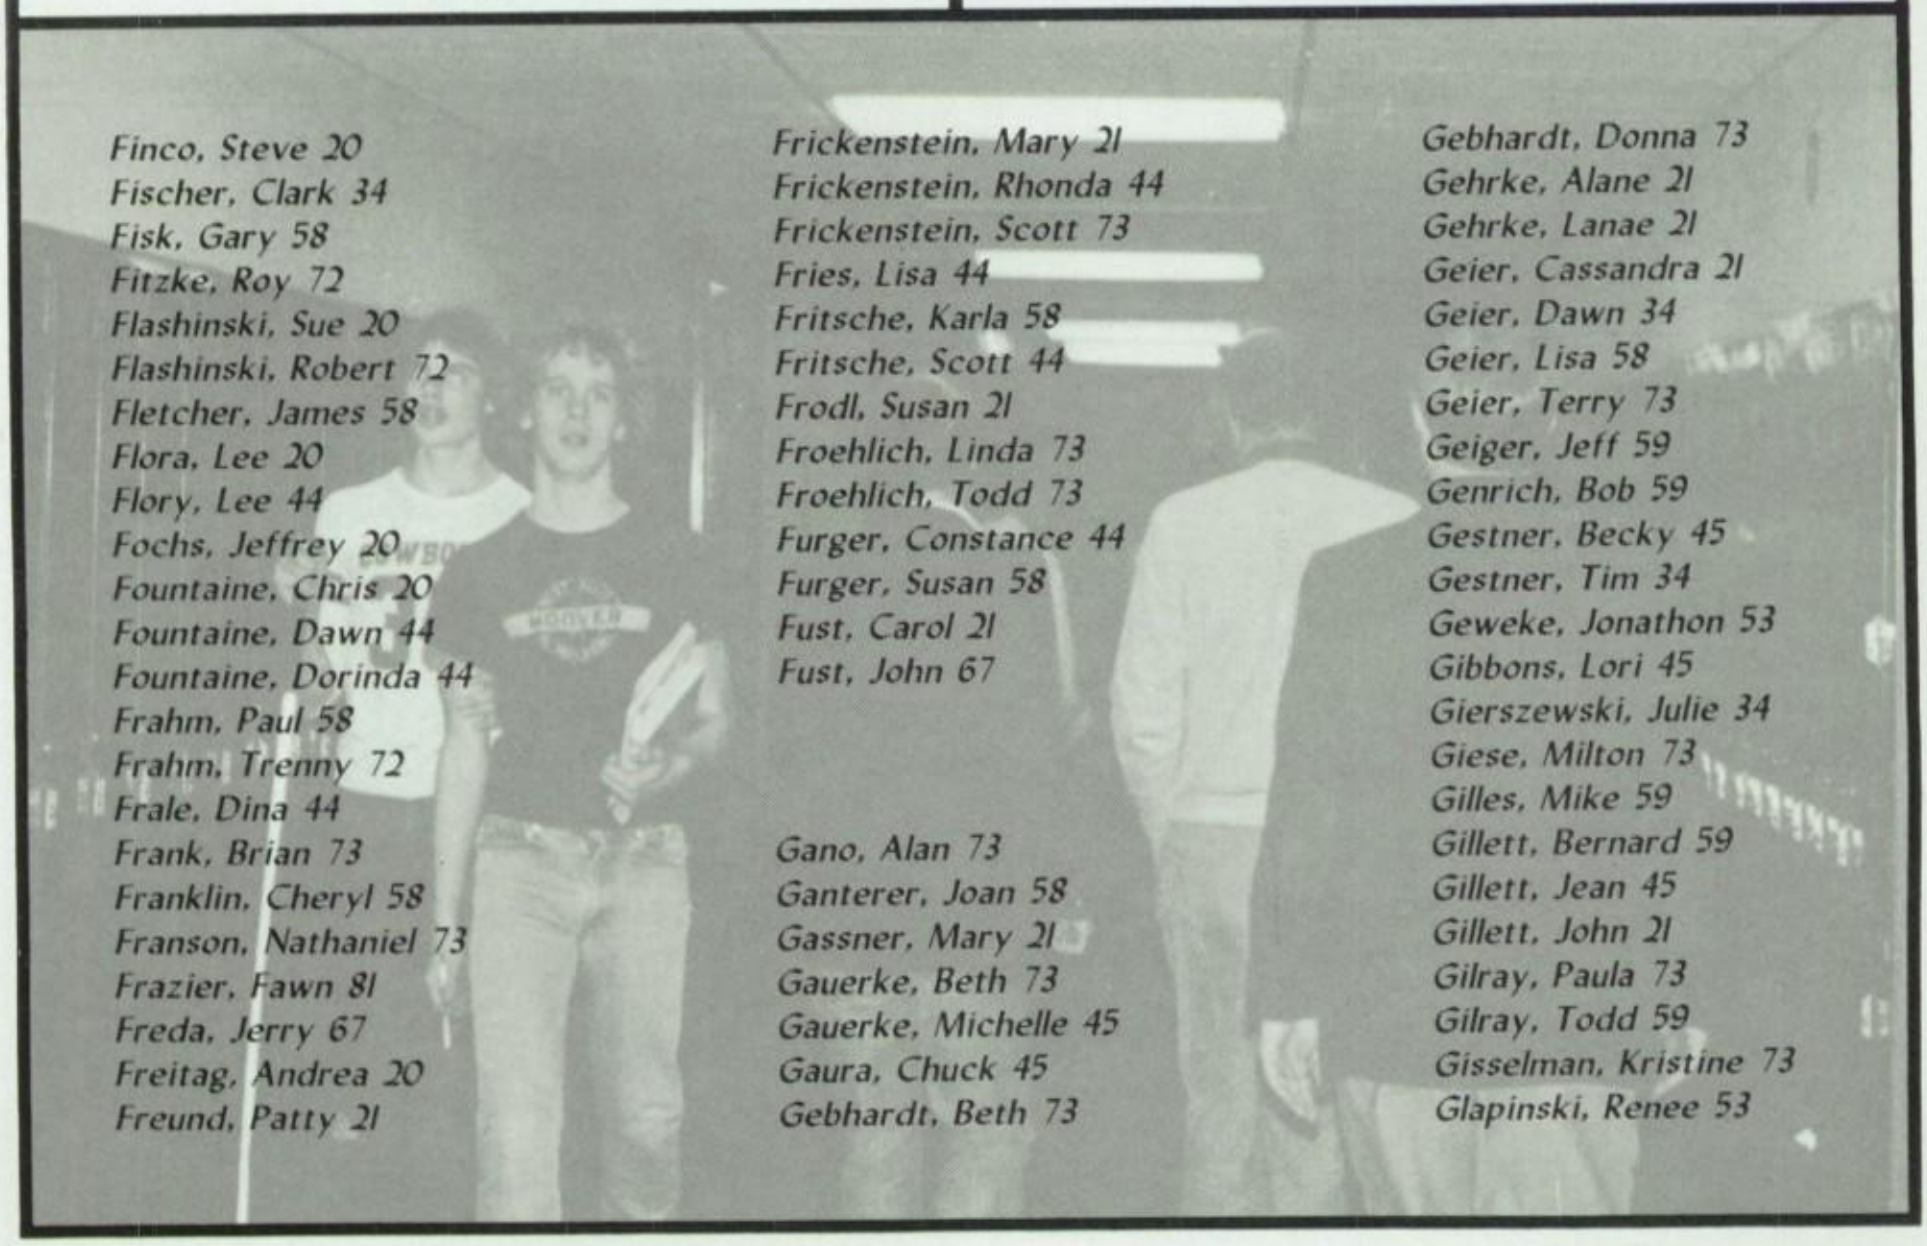

Could be that it's attuned to the personal and business needs of the community because it's owned and staffed by Wausau People.

Maybe it's the reliable companies with outstanding national reputations that Manson represents with coverage for property, liability, surety and accident, health and life.

Or it could be the sound advice for protection against loss and the fair and immediate attention to the settlement of claims.

But, maybe it's just "What security is all about"

Dearest Ricky,

I know I'll
've seeing you this
Summer, so don't worry.
I know I will also be
seeing you next year too.
We'll just have to party down,

while D.J.'s gone. Well, so long
Love ya,
Cindy
